## Snow Shoe Hiking / Off track skiing and Wolverine Tracking

**Location:** Kontiovaara, Lieksa

**Season:** Winter

### Programme:

- Welcoming drinks, introduction to the organizing company
- Fitting of snow shoes/skiis and starting the way to Vaskikallio Cliff, length of trip approximately 8 kilometres round-trip. During the way we follow wild wolverines foot prints found on snow and learn about tracking and "reading the story" from the tracks.
- Coffee break with pastries and sausages by a campfire on our return
- Return to Keljanpuro
- Traditional sauna, cooling off in the brook
- Meal by a campfire: Vendace soup

**Included:** Guidance, drinks and meals mentioned in the programme, use of snow shoes/skiis, traditional sauna. General liability insurance included.

**Please note:** Clothing suitable for weather conditions.

**Additional information:** In advance the group can choose to stay over night after snowshoeing / skiing at Wildlife Lodge or at Wilderness camp. Hiking / skiing route will be selected due to groups choice of staying over night.

The organizer has valid safety precautions plan.

Keljanpuro log house holds a licence for beer and cider.
